15 RESCUED FROM TUNNEL

Final Fling

A super picnic at the Bristol Memorial Park capped a long summer recreation program in the borough yesterday. Chick D'Angelo, recreation director, puts the final touches on some weiners for an anxious group of youngsters.

All set to gobble the doggies are (from left): Peter Cobb, George Ebbing, Bill Ebbing, Anthony Mays, Stephanie Mays, and Mary Ann Mays.

Men Trapped For 3 Hours In Pittsburgh

PITTSBURGH — (UP) — Firemen battling flames, smoke and gas fumes rescued 15 workmen today from a 9,000-foot long sewer project tunnel where they were trapped deep underground for nearly three hours.

The motor of an electric locomotive used to haul mud and rock from the shaft caught fire at about 8:30 a.m., cutting off the tunnel work crew just beyond the 3,000-foot mark.

City firemen, police, and construction crews built up a massive rescue operation within minutes after the fire flared. They brought in emergency fans, smoke ejector and suction equipment, as rescue crews pushed through the darkened tunnel with fire equipment and compressed air hoses.

The trapped men, who had huddled safely beyond the fire flaring in the 35-foot diameter tunnel, appeared in good condition as they raced through the smoke and carbon dioxide fumes.

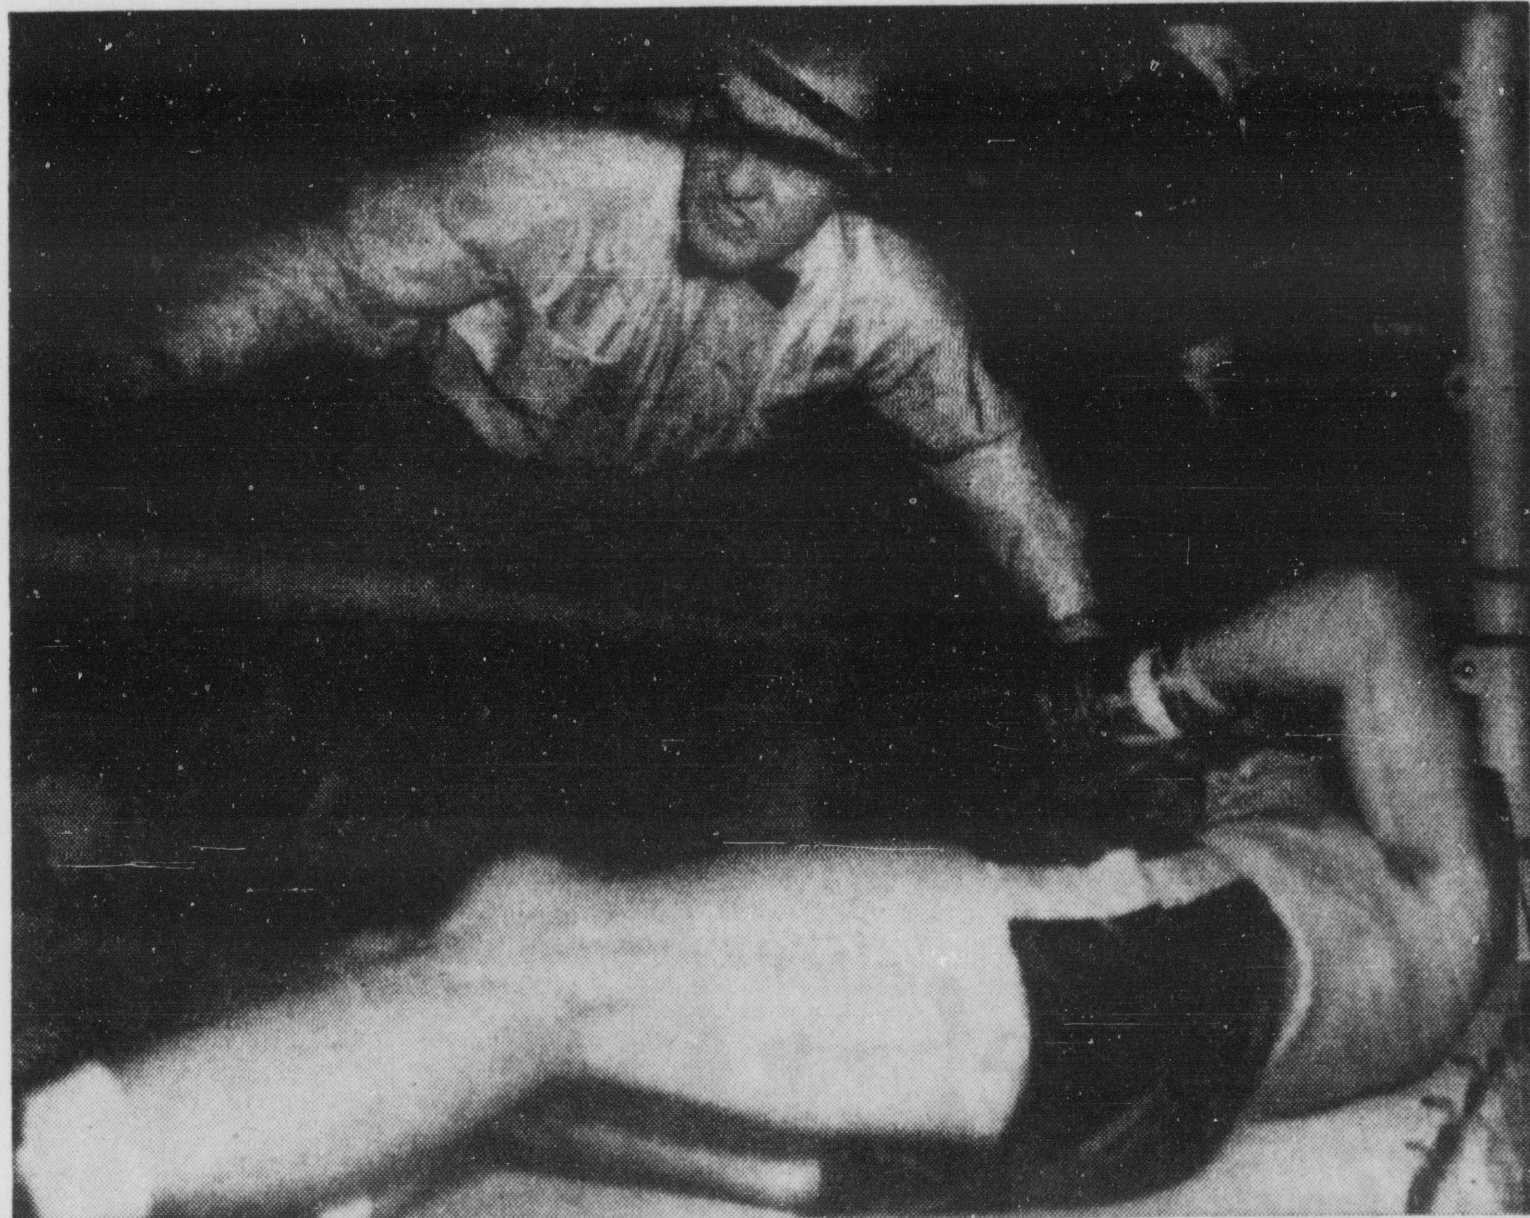

Eleven came out in the first group while the remaining four waited for the still operating ventilation equipment to clear the air.

Police reported the rescue operation complete by 11:30 a.m.

The trapped men assisted rescue workers in extinguishing the flames. Firemen dropped fire extinguishers and hoses down an 18-inch air vent which reached the surface beyond the fire point. The men took the equipment and pitched in as firemen, wearing gas masks, pushed up from the other side in the winding tunnel, which runs 50 to 75 feet below the surface.

Firemen wearing gas masks pushed their way deep into the darkened shaft, dragging a compressed air hose.

Referee Tommy Loughran counts over body of Pete Rademacher during the "horrible" fifth when Rademacher was knocked down four times by heavy-

weight champion, Floyd Patterson during their title bout. (United Press Telephoto.)

Floyd Floors Amateur Seven Times; Champ Down Once

By HAL WOOD
United Press Sports Writer

SEATTLE, Wash. UP—Sparked to fighting fury by a surprise second-round knockdown, world heavyweight champion Floyd Patterson floored Pete Rademacher seven times last night and finally knocked out the audacious amateur in the sixth round of their title fight.

In the greatest massacre since Custer's last stand, Rademacher took an even more severe pasting than did Tommy (Hurricane) Jackson when the latter lost to the champ only three weeks ago.

Pete 15 Pounds Heavier

But the upstart Rademacher, making his first start as a professional, had the satisfaction of decking the champ before the roof caved in.

One wild swinging right floored Patterson in the second round for a four-count.

"I never knew what hit me and never even knew I went down," said the champion later.

"All I remember is getting up and fighting back."

Patterson, who weighed only 187 compared with 202 for Rademacher, had things his own way from there in.

Referee Tommy Loughran gave both the first and second round to the challenger—but when the fifth round came along and Patterson pole-axed the challenger four times, the referee scored the round 10-0 for the champ.

The end came after 2:57 of the sixth. Rademacher went down from a sharp right to the jaw.

When he lumbered to his feet after a count of nine, Patterson stunned him with a swinging right and then a combination right and left sent him to the floor for keeps.

Outside of that second round, when the champ was on the floor, the 16,961 fans who paid \$243,030 to watch the uneven battle, didn't have much chance to cheer for their home-state lad.

But they couldn't fault the former football player on his courage. Nobody had expected him to (Continued on Page 10, Col. 3)

'Spectacular' Set As Initial Show

Community Enterprises will stage its initial all-star variety show tomorrow at 8:30 p.m. at Langhorne Speedway, Route 1.

The regular show will be preceded by an hour of music presented by the Lower Bucks County String Band. Stars of the outdoor spectacular include the Four Aces, Dorothy Lamour, Paul Winchell, the Blackboard Twins, and the Latin Quarter Review.

The Latin Quarter Review is being presented at the Allentown Fair as the entire show. Four production numbers will be put on by Lou Walter's Lovelies. The company consists of 14 dancers, with four featured mannikins.

They are Nancy Westbrook from the Ziegfeld Follies, Rosemarie Kittleton from the Latin Quarter, Veverly Ander-

son from Phil Silvers TV show, and Denise Collette from the Ziegfeld Follies.

There will also be songs accompanying these numbers sung by Pamela Dennis. The production numbers will include "Light Up The Sky," "French Dressing," "In the Calypso Way," and the finale in which the entire company will participate.

Music for the two and one-half hour show will be provided by Joe Basile and his band, which is featured every Saturday at noon on CBS television on the Big Top show.

The evening's festivities will be topped off by a fireworks display.

Melvin J. Fox, local theatre owner of the Towne Theatre and Roosevelt Drive-In, has put a bond of \$7600 guaranteeing the salaries of the performers.

Atomic Explosion Beats The Weather

ATOP ANGELS' PEAK, Nev. (UP)—Scientists won their battle against the weather and unexpected mechanical problems today by firing the 13th nuclear device of the 1957 test series from a plastic balloon 1,500 feet above the Nevada proving grounds.

The device, given the code name "Doppler," was set off by a mechanical timer at 5:30 a.m. p.d.t. It unleashed a loud "boom" and power equal to about 10,000 tons of TNT.

Thunderstorms and a leaky balloon had forced the postponement of the shot since Monday. But perfect weather conditions prevailed

during the last 24 hours and the Atomic Energy Commission ordered the launching in the predawn hours of its now "leak proof" balloon designed to carry "Doppler."

Eight experiments were recorded on the sequence time. About 30 military planes took part in support missions minutes after the familiar mushroom cloud resulting from the earth-quaking blast zoomed skyward.

An orange glow appeared for nearly 40 seconds following the blast. The mushroom cloud rose to 20,000 feet but its long fingered stem didn't reach the ground.

Betterment Group Sets Radio Meeting

The Levittown Betterment Committee, a group formed in opposition to the community's first Negro family, has called a meeting in Philadelphia for tonight.

The meeting will be held at radio station WPEN, 2212 Walnut St., sometime between 11 p.m. and 2 a.m. The meeting will be aired over the Frank Ford program.

While the Betterment group was making plans for its meeting, Levittown experienced its second straight night of peace and quiet.

A dozen state troopers and a near equal number of Bristol Township police stood guard around the Dogwood Hollow section.

Mr. and Mrs. William E. Myers, Jr., the Negro family, called a press conference at their home, 43 Deepgreen Lane. Mr. Myers disclosed that Paul R. Beckert, Levittown attorney and assistant district attorney, was the person who had offered him \$15,000 for his new home.

John Piechowski, a member of the Betterment Committee, said the radio studio where the meeting will be held seats 200 persons.

General Meeting

"We are inviting all Levittowners, who feel the way we do, because this is their meeting. The more people who attend the stronger will be their voice," Piechowski said.

He asked those who couldn't make the show to telephone in with their comments.

"This is the general meeting we promised to hold for our group. We had to hold it on a radio program because we were unable to find a meeting place large enough in the Levittown area. Since this is our meeting, we want only those who agree with us to call in," Piechowski said.

He said he thought the group who favored the move of the (Continued on Page 3, Col. 2)

Good Evening!

S.O. battling for GG

Floyd Patterson wins in what one sportswriter describes as the "greatest massacre since Custer." Rademacher fought a game but futile fight.

Patterson gained nothing but money. (Is that bad?) Now they should start booking a real Heavyweight fight—with television.

Cost of living index hits a new high for the 11th straight month. When will it end?

Frank Brewster, western boss of the Teamsters Union, gets the maximum penalty for contempt of Congress. He got a year in jail and \$1000 fine.

Only this and one more weekend before summer is over. Where did it go? Seems as if most of the summer came in that hot week of June.

In case you missed it the Senate turned down a general's star for star Jimmy Stewart.

Sanford and the Phils lose. Sixth place drawing closer.

Understand that show tomorrow night at the Speedway will be the spectacular it is being advertised as.

Many big stars slated for the show. Don't miss it.

Mountain climbers rope themselves together because there is safety in numbers—also it keeps the sensible ones from going home.

A woman's idea of keeping a secret is refusing to tell who told it to her.

Watch your driving.

Hoffa Promises Union Clean Up

WASHINGTON (UP)—James R. Hoffa today promised to clean up New York's racket-ridden phony locals if he is elected president of the Teamsters Union.

Hoffa, now Teamsters vice president and front-running candidate for the top post, told the Senate Rackets Committee that retiring president Dave Beck made the decision to charter the bogus, memberless union locals in New York.

The committee has charged that Hoffa conspired with racketeer Johnny Dio to set up the locals in a move to give Hoffa control of all Teamsters in the big city. Hoffa was then and still is czar of Teamsters in the Midwest.

Committee Counsel Robert F. Kennedy shouted at Hoffa early in today's session, "you were the one" who recommended that the phony locals be chartered. But Hoffa insisted "the decision was made by President Beck."

"Are you trying to place the

blame for all of this on Mr. Beck?" asked Committee Chairman John L. McClellan (D-Ark.).

"No sir," replied Hoffa, "if I had any other responsibility I would accept it."

Hoffa, almost certain choice to succeed Beck next month at the union's convention, then told Senate investigators that he would "absolutely" run a good union if he is elected.

Questioned about his dealings with Dio and others with long criminal records, Hoffa asserted that as president he would "deal with individuals who will not bring any harm to the labor movement."

Sen. Irving M. Ives (R-N.Y.) thundered at Hoffa: "You've consorted with all these bums and criminals throughout your career. Are you going to change?"

Hoffa, apparently jolted by the (Continued on Page 3, Col. 8)

2 Theft Suspects Nabbed At Center

Thieves spent a busy but non-profitable day in the Levittown Shopping Center yesterday.

One man who attempted to steal an overcoat was nearly nabbed at 9 p.m. He was able to escape his pursuers only when he gave up his loot and one of his shoes.

Earlier, two young Bristol boys were apprehended as they helped themselves to cowboy lariats in Woolworth's. A search disclosed that they had taken merchandise valued at \$16.79 from three stores.

The articles consisted of cowboy hats, guns, gloves, artist sup-

plies, and airplane or car model kits and accessories. The merchandise came from W.T. Grants and Pomeroy's in addition to Woolworth's.

The boys, aged 11 and 13, were released in the custody of their parents by Police Chief John B. Walterick, to await action of the juvenile authorities.

Two salesmen chased the thief who had grabbed an overcoat from a rack in the Adam's men's store. The salesmen, Murray Erlich and George John, pursued the thief to the rear of Ditzler's beer distributors on the other side (Continued on Page 3, Col. 2)

We Rent Living Rooms

What would you rent your living room for? Supposing a group of business men suggested that they would pay you a rental for the privilege of coming in one after the other to tell you what they could do for you.

Of course, you wouldn't want such a parade. Of course, the merchants couldn't speak in all of those thousands of living rooms even if they could rent them for that talk with each of you thousands of readers.

Well — that's just what an ad is. We advertisers "rent" an opportunity to talk to you in your living room. In no other way can we talk in so many living rooms at the same time. Naturally, we want to know if we are saying the right things. Help us to do a better job for you.

Do your share in the Good Will Community Survey.

Birds Of A Feather

At left is gambling czar Frank Costello at the Criminal Courts Building in New York where he testified before a Grand Jury which is considering an indictment against ex-boxer Vincent "Chin" Gigante for the attempted murder of Costello. Racketeer Johnny Dio, right, had his day in Federal Court where he pleaded innocent on charges of income tax evasion. (United Press Telephoto)

Corinne Calvet Is 'Ready' To Testify

HOLLYWOOD (UP) — Screen star Corinne Calvet told newsmen today she was not afraid to testify about a Confidential magazine story that said she wore out two husbands with boudoir kindness. "I don't mind testifying if it will help put an end to Confidential," she said, "even if it means embarrassment. I'm willing and ready to testify."

Miss Calvet was the first of some 100 subpoenaed film celebrities alerted to stand by for a call to the witness stand today in the criminal libel trial of Confidential and Whisper magazines.

She was put on two-hour call to testify as a "defense witness" by the magazines' attorneys who are attempting to show all articles appearing in the magazine were true and published without malice.

Civil Rights In Deadlock

WASHINGTON (UP) — Democrats and Republicans remained deadlocked today over the civil rights bill.

But behind the scenes, House Democratic leaders were discussing bargaining for a possible half-way measure between their compromise on the jury trial amendment and the one offered by Republicans.

House Democrats want to allow jury trials in all criminal contempt cases involving rights. The Senate version of the bill would make the jury trial provision apply to all criminal contempt cases generally.

Under the House GOP plan federal judges would be given discretion to grant a jury trial in voting rights cases. The judges would be allowed to impose a total penalty of a \$300 fine, 90 days in jail, or both, without a jury.

Southern Democrats have denounced the GOP compromise as a "bargain basement" proposal and a "legal monstrosity." Some key senators said it would never be accepted by the Senate.

Rep. Emmanuel Celler (D-N.Y.), House Democratic floor leader on civil rights, also opposed the GOP plan, but kept the door open for a possible compromise.

Boro Council Plans Zoning

Representatives of Bristol Borough Council, Bristol School Board and residents along Beaver St. met last night in "an educational session" to discuss the possibility of converting an area from residential to commercial in the borough.

The school board intends to sell a property to a developer to be used as a service station.

Inform Residents

William Veitch, fourth ward councilman, said the meeting was called to bring residents abreast of the developments in the situation and to completely inform them of the progress.

Mr. Veitch said residents wanted to be informed of the school board's purposes in selling the property to the developer.

The area must be rezoned from residential to commercial before the building of the station could continue.

Area Discussed

About an acre and a half of ground is involved in the discussion. Mr. Veitch said another meeting on the subject is listed for Sept. 9.

Death Notices

ENGLISH — Entered into rest August 22, Jonathan H. Jr., husband of Beatrice Craig English, of 1 Emerald Lane, Levittown, in the 56th year of his age. Relatives and friends of the family and members of the Holy Name Society of St. Michael The Archangel Church are invited to attend the funeral from Poulsen and Van Hise, 408 Bellevue Ave., Trenton, N. J., on Monday morning at 8:30. Requiem High Mass will be celebrated in the Church of the Resurrection at 9:30. Interment will be in St. Mary's Cemetery. Friends may call on Sunday evening from 7 to 9.

Boy Charged On Violation In Eddington

A 16-year-old Bensalem Township boy was charged with failing to yield the right of way after he collided with a Philadelphia man's car in Eddington yesterday.

Police said Paul Puzyrski, 1634 Woodbine Ave., Eddington, crashed into Harold Heller, Mechanicsville Road, Philadelphia, at Dunksferry Road and Atlantic Ave.

Total Wreck

The youth's car was a total wreck and the car of the Philadelphia man had damages estimated at \$900.

No injuries were reported in the collision investigated by Officers William Edwards and George Egly.

Second Accident

In another accident in Eddington on Route 13 and Appleton Ave., a Levittown driver collided with a Philadelphia car.

Police said Harry Rump, 57 Spring Lane, Stony Brook, driving east on 13, collided with Leona Romano, 1456 Rosalie St. going west.

Damage to the Levittowner's car was \$250 and to the Philadelphia car \$50 No. injuries or violations were reported. Edwards and Egly also investigated this accident.

4 Crewmen Die In Crash

NEW YORK (UP)—A Coast Guard amphibian plane crashed and burned shortly after takeoff Thursday from Floyd Bennett Field in Brooklyn. Four of six crew members were killed. Two others were injured, one critically.

The plane, a twin-engine Grumman Albatross, had just left the runway when it suddenly dipped, hit the end of the runway and burst into flames.

The Coast Guard identified the dead as Lt. Comdr. Claude S. Labaw of 18 Villa Court, Hempstead, N.Y.; the pilot; Lt. Rolland A. Faucher of 3 Elm St., Canton, N.Y.; the co-pilot; Machinist's Mate 3-C Matthew R. Ross of 1315 23rd St., Canton, Ohio; and Aviation Electronics Mate 3-C Gerald F. Fox of RD 1, Harmony, Pa.

Witnesses said one of the plane's engines appeared to have stopped as soon as the craft became airborne.

Because of the intense heat, the bodies of the four victims could not be removed for several hours. One of the injured, John R. Lowell, who lives at the field, was removed in a Coast Guard helicopter to St. Albans Naval Hospital in Queens. He was reported in critical condition. The second injured man, Frederick E. West Jr., 24, of Columbus, Ohio, an aviation electrician's mate, was treated for shock at the field dispensary. He was able to walk away from the crash scene.

The Coast Guard said the cause of the crash was unknown. The plane, normally used for search and rescue work, was on a routine training mission when the crash happened, the Coast Guard reported.

Disarmament Talk Resumes

LONDON (UP)—The Big Five disarmament conference here convenes today, with the United States, Britain, Canada and France hoping against hope that some substantial agreement with Russia can be achieved.

The principal topic for discussion today was certain to be the U.S. proposal for a two-year moratorium on nuclear tests, which was publicly announced after the conference's last session.

The test - suspension proposal was the final detail of a Western "package" plan which will be submitted formally to the Russians in about two weeks. The 10-page statement of Western intentions is now being studied by America's Atlantic Pact allies.

The disarmament conference probably will adjourn next week until sometime in November, giving the Kremlin time to prepare a formal reply.

THREE FOR WAJDA

SALEM, N.H. (UP) — Henry Wajda booted home three winners at Rockingham Park Thursday. Wajda scored on Big Mark (\$9.20) in the second, Sistine (\$11.80) in the third and Bamma (\$7.80) in the sixth.

Levittown Units Talk Over Library Support

Members of the Library Board of the Levittown Library met last night to discuss plans for the library. They are (from left): Joe Canby, Middletown; Clifford Watson, Falls; Elder Hacker, Falls;

Larry Mervine, Bristol Township; Milton Berkes, Falls; Joe Cuccineal, Tullytown; and Dan Friday, Tullytown. (Courier-Times Photo)

Twps., Boro To Propose 4-Way Fund

A step toward possible joint operating supper of the Levittown Public Library was taken last night by officials of the four municipalities governing Levittown.

Representatives of Falls, Bristol, and Middletown Townships and Tullytown Borough heard library spokesmen say it was imperative to have common support.

The seven officials, in a unique "meeting-of-the-minds" gathering in the current library in the basement of the Towne Pharmacy, agreed to present the matter to their governing bodies.

Liaison

Milton Berkes, secretary of the Falls Township Board of Supervisors, was named liaison between the officials and the library Board of Directors.

The board is conducting a fund-raising drive to obtain \$50,000 for a building on donated land at Levittown and Mill Creek Parkways.

Ralph Folcarelli, acting librarian, said upwards of \$20,000 will be needed next year to operate the library, which serves Lower Bucks County, regardless of whether the library is in its new quarters by then.

He said the largest part would go for a professional librarian at about \$8,000 a year, and the rest for a clerk, books, supplies and maintenance.

Per Capita

"It sounds like a lot," Folcarelli said, "but it works out to less than 50 cents a person in the Levittown area."

By comparison, he said, Cleveland spends \$4 a year per person for library service, Trenton \$1.82, Philadelphia, \$1.50, and Newark over \$5.

Representing the public were Berkes, Elder Hacker and Clifford Watson, all Falls Township supervisors; Joseph Cuccineal and Dan Friday, Tullytown councilmen; Joseph Canby, Middletown Township secretary; Lawrence Mervine, Bristol Township commissioner.

Charles Fink, Library president, said he hoped the four municipalities could work out a fair formula for appropriating the needed money out of operating funds, as Bristol Township already has done. "A jointure is legal," he declared.

Last Resort

As a last resort, he said, the library would consider asking the people of the four municipalities to authorize a special tax at the next general election. He said it would mean a very small sum from each taxpayer.

Hacker said, "There is a limit to what the people will stand for taxwise. Schools are our biggest item. We need to consider other needs of the township too."

Berkes said, "There is no question of need. The need for a library is greater than what we spent on some things this year and last."

Others raised questions of budget timing and other funds which could be tapped, but said they would have to talk about it with fellow officials.

Al Robertson, Library vice president, lauded the seven municipal representatives for meeting on a community problem.

Hoffa

(Continued From Page One) charge, replied, "I intend to conduct myself with respectability because I realize... that the men who put me into office can take me out."

"What's it going to be? Good or bad?" Ives demanded.

Slip On Reply The standing room only crowd in the Senate caucus room snickered when Hoffa, in what seemed to be slip of the tongue, said "I recognize both responsibilities."

On the witness chair for the fourth day, Hoffa this morning repeated Thursday's refrain: "I don't recall" or "I can't recollect."

This came when Committee Counsel Robert F. Kennedy asked about details of his deals with his New York mobster friend Dio.

News Tip Call May Mean \$5.00

If you've got a keen sense for news, it could mean extra bucks for you. Whatever the news tip might be, just phone the News Tip Editor, Courier and Times, Windsor 5-1000 or Stillwell 8-3325. For the best tip of the week, the Courier and Times will pay \$5.00.

New Group Picks Name

The third assembly of operators of restaurants, hotels, and motels in Bucks County met recently at the offices of the Bucks County Development Committee to discuss the name, constitution and program for their organization.

During the meeting, in which Herman D. Zettler presided, the name "Bucks County Travel Association" was accepted over "Bucks County Promotion Council," which was submitted by a special committee. The proposed constitution was discussed in detail and revised.

Copies of the proposed constitution will be distributed among interested parties in the county and a special meeting will be held Sept. 4 for a final vote.

A Board of Directors of nine persons would, under the proposed constitution, be elected by the general membership and serve terms of three years. General meetings would be quarterly with an annual meeting to elect new directors and formulate program for the year, to be held each September.

The Board of Directors would select its own officers and meet the third Wednesday of each month at the offices of the Bucks County Development Committee.

Injunction Hearing Due

PHILADELPHIA (UP) — Common Pleas Court Judge Theodore Reimel was scheduled to hold a hearing today on an injunction in the three day strike of drivers of the United Parcel Service.

The strike, which has curtailed home deliveries of packages from most large retail stores in the Philadelphia and South Jersey areas, started over the suspension of one driver by the Sears, Roebuck Co.

Judge Reimel issued the injunction Tuesday ordering the drivers to end the walkout at the Sears, Roebuck Co. but the strike spread to more than 500 other drivers, members of Local 107 of the Teamsters Union.

Reimel said Thursday "the union must give a good account of itself on Friday in order to purge itself of contempt." He added, however, that he will not pre-judge the case and does not intend to do anything more until today's hearing.

Births

LOWER BUCKS HOSPITAL

(Other births listed on Page 22)

August 21 Mr. and Mrs. Clifford Baldwin, 1926 Maple Ave., Croydon, Pa. Boy.

August 22 Mr. and Mrs. Eugene Carter, 230 Otter St., Bristol, Pa. Girl.

Mr. and Mrs. Lawrence Connelly, Taft and Ohio Aves., Newportville, Girl.

Mr. and Mrs. John Gavin, 48 Granite Road, Levittown, Pa. Boy.

Mr. and Mrs. Edward Wells, 198 Elderberry Drive, Levittown, Pa. Boy.

Polio Clinic Gears To Handle Rush

Facilities at the fourth \$1 Polio Clinic tomorrow at the Thomas Jefferson School in Levittown are being geared to handle crowds of more than 1,000 people.

A staff of three physicians, six nurses, and at least 25 volunteers is anticipating a turnout equal to or better than the 200 total recorded at the spring clinic.

Isaac Ben Ezra and James A. Aichele, co-chairmen of the clinic sponsored by Levittown residents, are urging all residents of the Levittown area to report to the clinic for Salk Polio Vaccine inoculations.

All Up To 40

The clinic is open to all residents of Bucks County up to 40-years old. A \$1 fee is charged. This money will be used for the purchase of vaccine for future clinics.

Sponsored by the residents, the clinic is sanctioned by the Bucks County Health Board,

which will have one of its nurses at the clinic to supervise the preparation of the clinic.

The clinic will be open from 2 to 5 p.m., tomorrow. Registration will begin at 2 p.m. Mrs. Felicia Miterko is in charge of registration.

More than 3,000 persons were inoculated in three previous clinics sponsored by the residents. Another clinic is being planned this fall.

Any Of Series

County residents are eligible for any of the three recommended polio shots.

The Thomas Jefferson School is located on Red Cedar Drive in a spot that centers four sections of Levittown, namely: Red Cedar Hill, Crabtree, Appletree and Oaktree.

Directional signs to the clinic will be placed at Five Points, Edgely Road, and Red Cedar Drive near Beck's Mortuary.

Red Cedar Drive leads to the school.

Bucks Development Group Pushes County Promotion

The Bucks County Development Committee will embark on an advertising program to attract industry to the county in a special supplement on Pennsylvania in the New York Times and will follow through with a continuing program in the Wall Street Journal.

It was announced today by Franklin C. Wood, director.

The committee decided that these publications were the best suited to inform industrial leaders across the country of the many desirable qualities of Bucks County for plant site location.

Mr. Wood reported the staff had begun a "live" promotional campaign by visiting several industrialists and developers who have shown some desire to locate industrial or commercial facilities in Bucks County. Publications containing information on Bucks County's industrial potential were distributed during these visits.

A report to be entitled BUCKS IN BRIEF was submitted by the staff to the Development Committee in preliminary draft. It will be published in pamphlet form and contain information on the Bucks County of today and a short history.

Topical headings include: Population and Housing, Transportation, Communication, Institutions, Recreational Facilities, Public Utilities, Industrial Development, and a Statistical Summary. Bucks in Brief will be a joint publication of the Bucks County Planning Commission and the Bucks County Development Committee.

Kermit Fischer, secretary and acting chairman, welcomed seven new members to the committee, which now totals 15. New members are: Harry E. Danner, vice president, Fidelity-Philadelphia Trust Company, Bristol; Daniel H. Erdman, president, Bucks County Bank and Trust Company, Quakertown; Murray C. Hotchkiss, co-publisher, Levittown Times and Bristol Daily Courier, Levittown.

cate industrial or commercial facilities in Bucks County. Publications containing information on Bucks County's industrial potential were distributed during these visits.

About 100 veteran miners, working in shifts under the glare of floodlights, had battled through the night in a futile attempt to save the boy, who fell into the 1,400-foot cone-shaped shaft Thursday night.

Another boy, 16-year-old Bonar Scholes, also fell down the shaft but was rescued about five hours later 20 feet below the shaft's cone-shaped opening.

Blakemore and four companions were playing on a wooden covering over the shaft about 9 p.m. when it collapsed under their weight. Blakemore and Scholes fell into the shaft but the others scrambled to safety.

Dealers Back TV Feature

Today kicks off a new TV feature entitled, "Your TV Questions," sponsored by the Lower Bucks County Television Service Dealers Association.

The questions are those you have been asking your TV serviceman. A batch of them have been pooled by the association members. The answers will be compiled by three TV experts from the association.

The column will appear every Friday on the TV page.

If you have any questions, send them to the LBCTSDA, Box 23, Levittown Post Office. If your question is not answered in the column, it will be answered by letter.

The Association members are: A & B TV, Central Record Shop, Delaware Valley Electronics, Devoe TV, Eager TV, E-Z TV, Levittown TV, Newtown Radio and TV and Roth TV.

Boy Dies In Mine Shaft

TIMMONS, Ont. (UP)—Rescue teams digging through loose rock in an abandoned mine shaft for a buried 15-year-old boy reached him today and reported he was dead.

The body of Ronald Blakemore was recovered shortly after 10 a.m. e.d.t.

About 100 veteran miners, working in shifts under the glare of floodlights, had battled through the night in a futile attempt to save the boy, who fell into the 1,400-foot cone-shaped shaft Thursday night.

Another boy, 16-year-old Bonar Scholes, also fell down the shaft but was rescued about five hours later 20 feet below the shaft's cone-shaped opening.

Blakemore and four companions were playing on a wooden covering over the shaft about 9 p.m. when it collapsed under their weight. Blakemore and Scholes fell into the shaft but the others scrambled to safety.

15 Rescued

(Continued From Page One) pressed air hoses to provide additional oxygen. One rescue worker, James Kuchpler, was overcome by gas fumes and was hauled to safety.

Electric motors kept the tunnel ventilation fans in operation, but the U.S. Bureau of Mines rushed additional fans and smoke ejector equipment to the scene, near the Allegheny River in the Highland Park section of the city.

Furnace cleaning firms throughout the city also were asked to send vacuum suction equipment when the massive rescue operation built up.

Ambulances and doctors waited at the entrance of the tunnel. The shaft slopes downward toward the river at an angle of about 30 degrees.

The tunnel is part of a multi-million dollar sewerage disposal project under construction for the past year by the Allegheny County sanitary authority. The project involves construction of miles of huge tunnels, some of them running hundreds of feet beneath the surface and under the Allegheny and Monongahela rivers.

Shoulder Injury May Snap Musial's String

PHILADELPHIA (UP)—X-rays disclosed today that Stan Musial suffered a chipped fracture of the shoulder blade and may be out for two weeks, snapping his National League record of consecutive games played.

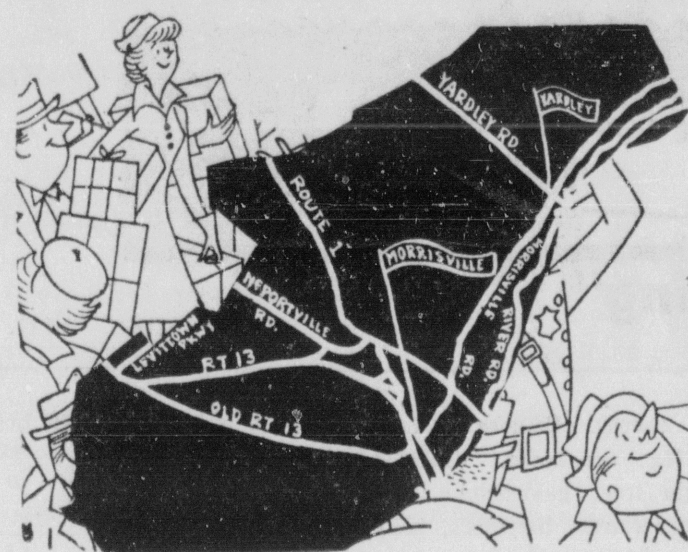

C. A. (Bob) Bowman, Cardinal trainer, said the chip resembled a piece of ball about a quarter of an inch long. He said Musial couldn't raise his arm because of the injury.

The X-ray examination was ordered after Musial apparently pulled a muscle swinging at a high pitch in Thursday night's game with the Philadelphia Phillies.

Killer Sentenced As Mother Asks Mercy

PHILADELPHIA (UP)—James Mulholland, 33, was sentenced to eight to 20 years in prison Thursday for the knife-slaying of his step-brother despite the mercy pleas in court by the mother of the two boys.

Quarter Sessions Court Judge Joseph Sloane said that if it was up to the mother, Mrs. Margaret Strain, 61, of 1825 N. 2nd St., "James would go free. However, I have a duty to do."

Lions To Present Blind Artists In September Benefit

The Yardley-Makefield Lions Club has completed plans for a fall appearance at Pennsbury High School of the Blind Artists Concert.

Kappy Kaplow, president of the Lions club, said the appearance of the blind entertainer will be co-sponsored by the Falls Township Lions Club.

The affair is slated for Oct. 12 at 8:30 p.m.

The two clubs will donate the entire proceeds of the concert to the Bucks County Branch of the Pennsylvania Association For the Blind.

Final plans were completed at a meeting last week of representatives of the Falls Lions and the Yardley-Makefield Lions.

The meeting was held at the home of Norman Cook, 370 Levittown Parkway, Levittown. Committee representatives in-

cluded Mr. Cook, chairman; Al McCabe, Jack Bauer, Falls Township Lions; and John O. Dice, chairman; Don Outcalt, Tom Everest and Mr. Kaplow.

Donations of \$1 will be asked for admission.

Mr. Kaplow said 50 representatives from the Bucks County Branch of Pennsylvania Association for the Blind will be invited to the program as guests of the Lions.

The Yardley-Makefield Lions Club will make final arrangements at its regular meeting Sept. 24.

Charge Faces Area Woman

A Morrisville woman, who Tullytown police said caused an automobile accident on the Route 13 expressway, will be given a summons for reckless driving.

Tullytown Patrolman John Steen said Mrs. Hazel Hopkins, of 25 North Delmor Ave., Morrisville, pulled out onto the expressway in front of three oncoming cars and then stopped, blocking part of the highway.

One of the motorists was able to squeeze past her car, Steen said, but the other two cars collided when they tried to go around her.

The drivers of the two cars that crashed were Melvin J. Daniels, of 550 Bath St., Bristol, and Walter Semensky, 61 Noblewood Lane, North Park, Levittown. Damage to Daniels car was estimated at \$350 and to Semensky's vehicle \$450.

Steen said Mrs. Hopkins had been driving on the East ramp from old Route 13. She told the officer she stopped at a stop sign and pulled out when she thought the way was clear.

Pastor Is Off Vacation

The Rev. Harold Schut, pastor of the North and Southampton Reformed Church, Churchville, has returned from his vacation trip to Colorado and will conduct services this Sunday.

William Coventry, the student minister who has been substituting for him, will return to the New Brunswick Seminary next month.

Services this Sunday will be at 8:30 a.m. and 11 a.m.

A clambake for the Sunday School teachers on September 6 is the next big event on the church's agenda.

Rev. Leonard Calkwarf will be one of the instructors at the school of religion that will be held at the church from October 2 to November 6. The classes will meet every Wednesday night during that period.

'Welcome To The Team'

New Morrisville Democratic committeeman Charles Inverso (left) is welcomed by Francis Troilo, Democratic party chairman in the borough. Looking on are Charles Bleasdale, candidate for council and Mrs. Marie Chapman, committeewoman. (Courier-Times Photo).

Taxes Cost \$545 Head

WASHINGTON UP — Government-federal, state and local-takes a record \$545 in taxes from every man, woman child in the nation during the last fiscal year.

All three government levels also set a record in spending a total of \$600 a head.

They more than made up the difference by taking in from general revenue other than taxes another \$79 a head. That brought the total per capita take from general revenue to \$679.

The Census Bureau said last night in releasing the report that the per capita breakdown on taxes was: Federal \$388; state \$80; local \$77.

Bridge Delay Seen For Yardley Area

The Army's temporary Bailey bridge across the Delaware River at Yardley may have to serve longer than expected because of a delay in steel deliveries for the new bridge.

A spokesman for the Baker Engineering Company, drawing the specifications for the structure, said there is a waiting period of 18 months for steel.

The order for the bridge steel can not be submitted until bids are received in December.

A delay of 18 months in the acquisition of steel and another 12

Councilman Says Faction Blocks Plan

Morrisville Borough Councilman John Sawyer charged today that "old guard Republicans and non-progressive Democrats" are holding up completion of the Washington Street extension.

Sawyer said now that the project has received the council approval it should move along without "all this legal dilly dallying."

"It has been several months since the street extension plan received its approval from council."

"Nothing has happened yet to get the project and it's just because certain people are trying to stall the project," the councilman said.

Sawyer said Paul Sullivan, who owns property condemned in the street plan, would be invited to attend a meeting on the matter of a council committee.

"I feel that if we can get Sullivan's property situation cleared up the rest will be easy."

"The purpose of this meeting is to get the situation wrapped up and finished once and for all," Sawyer said.

The meeting has been set for August 30 at the Borough Hall.

Mr. Sawyer said the meeting will also consider business of his police committee at this session. The meeting will start at 8 p.m.

Boro Demos Replace Two

The new Democratic committee people have been appointed in Morrisville replacing those who have moved and been required by law to resign.

Bucks County Democratic chairman James C. Bowen of Sellersville announced the new appointments today.

Charles Inverso of 203 Anderson Ave., is the new committeeman from the fourth ward.

The present committeewoman from the ward is Marie Chapman of 37 West Philadelphia Ave.

In the second ward, Florence Krause of 460 McKinley Ave. replaces Pearl McAllister in the second ward.

Mrs. McAllister and John Zack, the committeeman who resigned in the fourth ward, have both moved to the first ward in the borough.

John C. Whalen, 135 Grove St., is the committeeman in the second ward.

Francis Troilo, 113 West Trenton Ave., is the Democratic party chairman in the borough.

When that story appeared in the Courier-Times, it listed all the township Republicans as "confederates" of Mrs. Cleo who is still a Township Supervisor. Williams points out a dictionary definition of confederates is an "ally or accomplice."

"I think Mrs. Cleo is an honest, self-respecting person but I am in no respect a confederate of hers," Williams asserted.

Government Says Newsmen May Now Visit Red China

WASHINGTON (UP)—The United States at last has decided to authorize 24 American newsmen to travel to Red China for a six-month experimental basis.

The next question is whether Red China will let the newsmen into their country.

Because the United States has no diplomatic relations with the Communist Chinese government, it has no hint as to what will be Red China's reaction.

The State Department, in a reversal of previous policy, announced yesterday it would immediately authorize 24 American news organizations to send one reporter each to Red China for the six-month trial period. This period is likely to be extended if the newsmen are admitted.

Old China hands in the State Department said they could not predict Peiping's reaction to the State Department's move.

The United States took a year to make up its mind to let the limited number of newsmen travel to the China mainland which fell under Red control in 1949. Therefore,

there was some speculation the Red regime might follow the American pattern and take its time in giving an answer.

The Chinese Communists last August offered to lift their seven-year ban on U.S. reporters to admit a selected group for a visit.

Three American newsmen accepted the invitation in December over State Department objections. Last week 41 American students accepted a Red Chinese invitation to visit China, despite vigorous American efforts to halt the trip.

Officials said the State Department's flat ban against letting Chinese newsmen enter this country might split trouble. Others thought the Communists might forget about reciprocity and let the Americans in quickly.

Agencies authorized by the State Department to send a reporter are the United Press, American Broadcasting Co., Associated Press, Baltimore Sun, Chicago Daily News, Chicago Tribune, Christian Science Monitor, Columbia Broadcasting System, Copy News Service, Fairchild Publications, Inc., International News Service, McGraw-Hill World News, Minneapolis Star & Tribune, Mutual Broadcasting System, National Broadcasting Co., Newspaper Enterprise Associates Service, Inc., Newsweek, New York Herald Tribune, The New York Times, Reader's Di-

Objects To 'Confederate'

W. Llewellyn L. Williams Sr., candidate for Bensalem Township Supervisor, objects to being referred to as a "confederate" of Supervisor Mrs. Mae Cleo.

Williams, who defeated Mrs. Cleo in the Republican primary election this spring, was listed with Mrs. Cleo as one of the guests at the annual banquet of the Nottingham Civic Association.

When that story appeared in the Courier-Times, it listed all the township Republicans as "confederates" of Mrs. Cleo who is still a Township Supervisor. Williams points out a dictionary definition of confederates is an "ally or accomplice."

"I think Mrs. Cleo is an honest, self-respecting person but I am in no respect a confederate of hers," Williams asserted.

Probe Wants Bethlehem

WASHINGTON (UP)—Chairman Estes Kefauver (D-Tenn.) of the Senate Monopoly Subcommittee investigating steel price boost said today he hopes Bethlehem Steel Corp. officials can testify within the next three weeks.

Bethlehem representatives were scheduled to testify this week but the subcommittee's investigation was recessed indefinitely Thursday. Kefauver said the recess was called because of a legislative jam in a drive for adjournment.

The hearings may not be resumed until October. Kefauver and another subcommittee member, Sen. Alexander Wiley (R-Wis.), will attend an interparliamentary union meeting in London Sept. 10-20.

The chairman said tentative plans call for officials of a small steel company testifying after the Bethlehem witnesses. He said representatives of the farm machinery industry probably will be called later.

Television Gathers Biggest Profit Yet

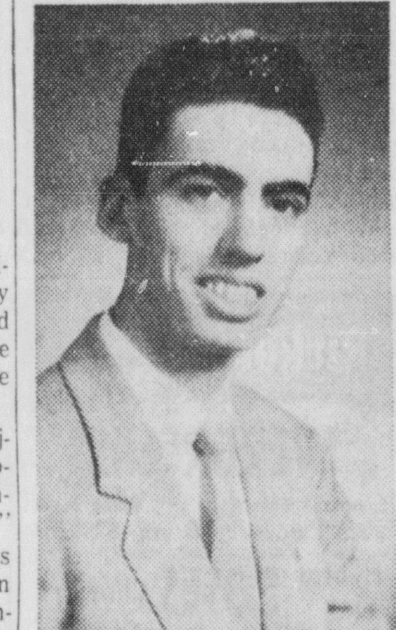

WASHINGTON (UP)—The television broadcast industry had its most profitable year last year with the three major networks taking in nearly half the revenues.

Broadcast profits before taxes also jumped to a record \$189,600,000—26.2 per cent higher than the previous year.

Teacher

ROBERT V. SCHAUER

Schauer Has Position At Iowa State

A Morrisville man will begin a teaching assignment at Iowa State University next month and begin work towards his Ph. D. degree.

Robert V. Schauer, 23, of 108 West Maple Ave., will teach European History while working for his degree.

Mr. Schauer graduated from St. Joseph's College, Philadelphia, with a B.S. degree in 1955.

He received his master of arts degree from Marquette University and taught European History.

While at Marquette, he was president of the Marquette Graduate Association, treasurer of the Alpha Delta Chapter of Phi Alpha Theta, the national honorary fraternity in history. He graduated magna cum laude from Marquette.

A reception before leaving for Iowa is planned for Sunday at his mother's home.

Dr. and Mrs. Edward A. Schauer, Farmingdale, N.J. and Dr. and Mrs. Joseph W. Schauer Jr., Fort Monmouth, N.J. will attend. The two medical doctors are brothers of Mr. Schauer.

Two Offices

James Abram Garfield was president - elect and senator-elect at the same time. Nominated for president in 1880, he previously had been elected senator from Ohio.

Post Road To Compete With Boro Team

Thirty Morrisville swimmers and divers will journey a short distance today to swim against the Post Road Pool team.

Alex McDonald, director of the Morrisville Community Pool, said the swimmers and divers will compete in about 20 different events.

Both boys and girls will participate in the program.

Dick Campbell will coach the Community Pool swimmers. In the first inter-pool swim the Morrisville Community Pool splashes were beaten by the Somerton pool swimmers in Feasterville.

Teenagers will also have a splash party next Monday night at the Morrisville Community Pool. The first splash was a large success and this one is being repeated by request.

An adult splash party was held this week and another has been scheduled for Wednesday night.

Mr. McDonald said the cool weather during the past few nights has been the source of some small crowds during the evening hours.

Coal Dust Explosion Kills 1, Injures 15

JERSEY CITY, N. J. (UP)—A coal-dust explosion ripped through a spice-milling factory Thursday killing one man and injuring 15 other persons.

The dead man was 53-year-old John Solokowski, of Jersey City, who was milling charcoal on the third floor of the Walter C. Gregory Corp., building when the blast occurred.

Acting Fire Chief Jules Reslard said an "accumulation of dust" around the milling apparatus touched off the blast, which ignited a three-alarm fire that raged for an hour before it was controlled.
